Sunny Shores pulls aside her panties in a previously unpublished photo from *40Something* #90. Georgette (top) and Rachel Steele graced issue #135.

HIS LOVE AFFAIR WITH 40 STARTED ON A SUNNY DAY

Dear 40Something,

40Something (and I include 50Plus MILFs has been my favorite stroke magazine since I happened upon issue #90 seven years ago. In that issue, Sunny Shores was featured sucking cock and spreading her beautiful legs and pussy for the camera while wearing sexy, black, high-heel slides and sporting a bright, red manicure and pedicure. That pictorial of her is probably the best I have ever seen of a woman posing solo (two that come close to it are Georgette Parks and Rachel Steele in 40Something #135).

I am sure many other fans of Sunny would love to see her again, as would newer readers who never had the chance to see her. Please feature unpublished photos from that original shoot in another pictorial. Sunny, along with Joanne, Crystal, Margie and Lavita, made issue #90 a great introduction to your magazine. I have been addicted to it ever since.

Just after I purchased the premiere issue of 50Plus MILFs last June, the store where I had bought SCORE Group magazines stopped carrying

them. After going nearly three months without a new magazine, I said, "No more," and subscribed to 40Something. It was a late Friday afternoon on the West Coast when I telephoned and ordered the subscription as well as four DVDs. The DVDs arrived the following Wednesday. Several weeks later, I

called early on a Monday morning to order the three back issues of 40Something that I had missed, and they arrived on Wednesday with 15% off and no shipping charge (another benefit of being a subscriber). What fantastic service you provide. I recommend that anyone who buys SCORE Group magazines on a regular basis do themselves a favor by subscribing.

Over time, I have noticed some subtle but very-much-appreciated changes in your magazine. More models are shaving their pussies and then spreading them wide for the camera, more have body piercings and tattoos, more are in their 50s and 60s (and now 70s), more are posing hardcore and more are getting buttfucked.

I have seen at least one issue of all the SCORE Group magazines, and 40Something features the most beautiful women in the raunchiest, nastiest, sluttiest poses. I love it that way.—Name withheld, Sacramento, California

LONG-LEGGED BEAUTIES AND WELL-FUCKED DIVORCEES

Dear 40Something,

40Something #215: Great mix of women. My favorites:

Carolyn Khols: red-headed beauty and a true amateur, which is great.

Beautiful, long legs encased in sexy fishnet stockings. More fishnets!

Gianna Phoenix: Another longlegged beauty wearing an interesting choice of undergarment. Love the shot of her asshole puckering through the garment on page 24.

Marina Johnson: Lovely, pointy nipples. A real example of an over-50 sexpot. The centerfold shot, in which she's spreading her pussy so we can see deeper into her cunt while she's getting fucked, is a keeper.

Shana: Great DP action with the cock in her pussy and the dildo in her asshole. I only wish she had stuck the dildo in her pussy while she had the cock in her asshole.

All of the ladies in this issue were great, but these four were my mostjacked-to favorites.-L.R., Marina del Rey, California

WOULDN'T YOU LOVE TO GET PINNED BY SHELLY?

Dear 40Something,

I could not believe the awesome find of Shelly the Burbank Bomber on your 50PlusMILFs.com website. What an incredible woman and surely the hottest and best built mature gal The SCORE Group has ever found. After Googling her name, I found she had more hot pictures of her from her wrestling days. Shelly looks incredible and is emblematic of beautiful and

sexy, mature women.

I am praying that Shelly is in future issues of *50Plus MILFs* magazine for years to come and that she is in a scorching XXX-Rated DVD, which will be a runaway best seller.—Derek, Long Island, New York

Dear Derek: You'll be happy to know that Shelly (the main model in the 40Something subscription ad) will be featured in the next issue of 50Plus MILFs (SCORE Special #220), on-sale Sept. 20. Shelly is also featured in a hot, wrestling-themed hardcore scene that can be seen online at 50PlusMILFs.com.

WHAT REALLY HAPPENS IN THE PRINCIPAL'S OFFICE!

Dear 40Something,

Lin Boyde (40Something #215) is the kind of woman I buy your magazine for. She's not a classic beauty, but she's a slutty, sexy, normal woman doing things that most women won't do, at least in magazines. That's what makes her special. She has the ability to go from everyday businessman (or, in the case of her pictorial in this issue, high school principal) to hardcore slut.

Several photos made this layout special. The first is of Lin spreading her pussy while the "father of her student" fingers her asshole. You can almost see

her asshole muscles

squeezing his finger.

Next is the photo of
Lin treating the guy's
cock like it's a piece
of corn on the cob.
Sure, I like the blow
job photos, but this

Please report

you.

pictures really makes me think, "This lady knows what to do with a hard cock." She knows that guys want the all-over treatment when we're getting our cocks sucked.

But the photo that really made me lose my load was the one of Lin on her hands and knees while she's sucking cock and the guy is spreading her ass cheeks. I only wish we had gotten one more shot, a closeup of Lin's sweaty, spread asshole.

I finally got to the other photos in the layout but only after I had cum several times to the ones I just mentioned. Thank you for giving us a woman like Lin, the kind of woman

most other magazines would be afraid to present.—G.K., via email

NO XXX, BUT THERE'S LOTS TO LIKE IN OUR UK EDITION

Dear 40Something,

As a long-time reader living in England, I usually track down the International edition of every issue so I can see the XXX shots I want. I had, in fact, already purchased and wanked my way through issue no. 215 when I saw the UK edition at a local book dealer. My curiosity got the best of me, so I decided to give it a look and, against my expectations, ended up purchasing a copy.

Undoubtedly, the uncensored International edition is a far superior product, but the UK edition has much to recommend. On side-by-side inspection, I noticed that the XXX layout of Lin Boyde in the International edition had been replaced with a rather spicy solo spread of Kira Lynn that featured some highly wankable photos of this Asian lady's very juicy pussy.

In addition, the XXX layout of Marina Johnson, one of my favorite

features of the International edition, had been replaced with a solo spread of Connie McCoy in which this wonderfully wrinkled divorcee showed off her gaping pussy from many angles.

The International edition is much hotter and more explicit than the UK edition, but from here on in, I plan on giving the UK edition a look and possibly a purchase. Is there any way to buy back issues of the UK edition?—R.F., Manchester, England

Dear R.F.: The UK edition is published for a select group of magazine distributors in the United Kingdom who will not sell magazines with hardcore sex or penetration. Sorry, but it is available only at newsstands and is not available for purchase via subscription or through our back issues service. Of course, subscribers in the UK always get the uncensored edition.

WILL JODI EAT PUSSY? WILL SUZ LET YOU EAT HER ASS?

Dear 40Something,

The May 2011 (40Something #211) issue is one of the best ever, mainly for its great selection of natural beauties. My favorites, in order, are Suz, Ruthie

Hays, Andi and Jodi. It's a hard choice to make since these beautiful women all have terrific bodies.

One thing that caught my attention is that Jodi says she love to eat pussy. Could you please oblige us with a photo shoot of Jodi with another woman, preferably one of the other three on my list? I would love to see Jodi sucking tits and licking pussy.

Speaking of licking, I fantasize the most about Suz, wishing that I could tongue her butthole and her pussy while fondling her nice tits.-T.R., Van Nuys, California

A READER'S TOP 19. YES, WE SAID TOP 19. GO FIGURE.

Dear 40Something,

My Top 10 40Something models ever: 1. Valerie; 2. Georgette Parks; 3. Bea Cummins; 4. Honey Ray; 5. Jewel; 6. Katia; 7. Lola Lee; 8. Rita Daniels; 9. Lin Boyde; 10. Julia Butt.

I suggest in movies and pictorials you show intimacy and warmth. That lends enjoyment.-M.C., via email

Dear M.C.: Thanks for your list. We'd love to hear who other readers have in their Top 10...or 19.

reet Jasmine Fields. When we first saw her, we figured she had Lto be in her early 40s, max. We even asked to see her driver's license as proof that she was in her 50s, and there it was. DOB: 03-17-1959. Which makes her 52 years old.

"I get that all the time," Jasmine said. "Some people think I'm in my 30s. I definitely take it as a compliment."

She should because combined with her youthful face and mint body, Jasmine has that certain something that screams, "Mature!" There's something about the way she carries herself and speaks, some sparkle in her eye, that tells you that she has experienced life and knows her way

around the bedroom. Which she does.

Jasmine's fantasies: "Having sex or masturbating with multiple men watching and being tied to a bed and licked until I cum and then fucked."

Here are some more things you might like to know about her: She's 5'4" and weighs a shade under 120 pounds. Her favorite TV show is Mad Men. Her favorite actress is Meryl Streep. Her favorite movie is The Godfather. She used to play volleyball, and now she's an avid snowboarder. Her favorite sport is ice hockey, and she loves motor sports. As a kid, she played baseball, basketball and tennis. She's a bit of an intellectual and enjoys hanging out with her friends and talking about the world. She likes guys who are younger than her. She's an exhibitionist. Her first time was in the back seat of a 1970s muscle car with her high school boyfriend. She didn't start masturbating until she was 38. She likes to use a vibrator and/or a glass dildo. And she likes creampies.The ones she makes with her pussy and the ones she can make in the kitchen.

4050METHING: Hi, Jasmine, and welcome to 40Something. You're sitting there naked and looking very good.

JASMINE: Hi, and thank you.

40SOMETHING: But I have a problem: We can't show the models' birth certificates or IDs in the magazine for privacy reasons, so we hope they show their age in other ways, like their hands or their faces. But you have young hands. You don't do dishes, do you?

JASMINE: I have a dishwasher. [Laughs] **40SOMETHING:** You don't show your age

on your hands or your face or your body. So, will the guys believe that you're 52. When was your birthday? **JASMINE:** 1959!

40SOMETHING: How can we convince

them that you're 52?

JASMINE: Ask me what was the first major historical event that I could consciously remember.

40SOMETHING: Okay, what was it? **JASMINE:** John F. Kennedy's funeral. **40SOMETHING:** Now we're getting depressing. For me, it was seeing Ann-Margret's boobs in the movie Carnal Knowledge. Okay, the readers are going to have to take your word for it, and besides, what woman lies about her age and makes herself older?

JASMINE: A woman who wants to be in 40Something?

40SOMETHING: That's true, but you only had to be 40 for that, not 52. Now, here you are for the first time. You've never modeled nude before?

JASMINE: I have done a few still photos, boudoir and sexy modeling, but not full-on nude like this. I did those for some local photographers who were trying to build their portfolios and so I could get some sexy photos. Not nude photos but sexy photos for myself. **40SOMETHING:** So this is your first time doing professional adult modeling. Are you nervous?

JASMINE: A little, but not much. I'm enjoying myself.

40SOMETHING: Where are you from. JASMINE: Denver, Colorado. I grew up on the east coast. In Allentown, Pennsylvania.

40SOMETHING: And how did you end up at 40Something?

JASMINE: Well, it's a little bit crazy. For starters, I should say that I have done burlesque. I'm a writer, and about a year ago, I wanted to do an article on the art of burlesque because it fascinated me. I had a friend who was a male stripper, and he suggested that I do burlesque because he thought I'd be really good at it. And so I checked out a local venue in Denver that was a cabaret where they had burlesque performances regularly and held a class, and I took the class, and the requirement for graduation was performing in front of a live audience. And it was a soldout show, and it went so well, I wrote an article about how taking your clothes off can empower a woman because I'm all about women's empowerment and

women being secure in their sexuality. And then they asked me to come back and perform some more, so I did seven or eight performances in Denver. **4050METHING:** What were the performances like?

JASMINE: I did a classic style of burlesque. I did a 1950s look. I'm in love with that era, the 1940s and '50s. The mink stoles, the gloves, the glamorous look, everything. It was very exciting. **4050METHING:** Did you take all your clothes off?

JASMINE: I stripped down to pasties and nothing less than a thong. Those were the rules. You had to keep a thong on.

4050METHING: Did you enjoy it?

JASMINE: Oh, very much. I had some friends...well, I should tell you that I'm a recovering geek. I came from the technology industry. I worked in the software business most of my adult life. I was in technical training. I used to train geeks. I trained programmers, if you can believe that, and then I did consulting work. I did sales, I did marketing and I did global alliance manag-

ing, so I traveled around the world managing relationships. And the funny thing is, I invited a couple of people who used to work with me in the industry to my show, and one of them was a guy friend, and he told me I looked like I'd been doing it all my life. He said, "You are a natural." And that was my debut performance. It was very exciting and it was extremely empowering. The day of my debut performance in burlesque was one of the most exciting days of my life.

JASMINE: It was getting over a taboo. It was sort of a celebration of my divorce as well, so I was kind of coming into my power as a newly single woman. Finding out who I am at my age and having been in marriage pretty much all of my adult life, it was very empowering. It gave me an opportunity to set myself free. Let my free spirit sour.

40SOMETHING: Were

course, everybody does, but my ex and I are friends. It was rocky for a little while. It's always hard to go through a divorce because you're saying goodbye to a big section of your life and entering a new one. But this new section of my life has been very exciting.

40SOMETHING: Well, you're definitely doing some things most women don't do. So, you did burlesque, but I have to tell you, Jasmine, that's still a long way from doing this.

JASMINE: Well, it's a progressive story. [Laughs] So the burlesque let me get more in touch with who I am sexually and feel comfortable in my own skin, and with my clothes off, obviously! 4050METHING: Well, you should feel comfortable. Your breasts, for instance, are incredibly firm. I'm looking at them right now. To quote a famous line, they're real and they're spectacular!

"Men are always shocked when we get to the bedroom and they see that I'm not wearing any

JASMINE: [Laughs] They are firm. In fact, I've been in a strip club and had women who were strippers say, "Are those real?" And I'd say yes, and they'd say, "Can I feel them, because they're just amazing." **40SOMETHING:** And what would you answer them? JASMINE: I'd say, "Of course. Go ahead. Feel them." I've never been self-conscious about that, and, after all, I was in a strip club. Anyway, to get back to my story, I'm a writer and an entrepreneur, and I'd been starting a few business and I thought that in the meantime, it would be nice to pick up some extra

money when I'm home writing, and what I could do is a little phone sex, maybe web cams. Then a friend of mine in St. Louis said, "I have a website for you. Go to SexyJobs.com." So I looked around and saw some ads for phone sex and web cams, and SexyJobs.com offered me the opportunity to setup a resume. And, like I said, I happened to have some recent boudoir photos, so I posted them, and I think a day later, somebody from 40Something contacted me.

40SOMETHING: I can't believe we even waited a day. Were you surprised to hear from us?

JASMINE: A little, and the timing was right. That Monday morning, which was when Erica called me from your studio, I had a little meltdown with a guy I'd been dating for six months. He broke up with me. He broke up with me over the phone.

4050METHING: He broke up with you? **JASMINE:** Yes!

40SOMETHING: Over the phone? What an idiot! Wait until he sees your pictures in 40Something. Over the phone. I can't believe that.

JASMINE: Yes, he broke up with me that morning, and I was sort of incensed about everything that was going on and I said, "I need to focus on what I want to do with my life," and that's when I posted the resume on SexyJobs.com. And so, it was Monday, late afternoon or evening, I came home and opened my inbox, and I had all these emails from people.

40SOMETHING: Well, you're still a long way from being here in our studio, taking your clothes off, having sex with our studs, one of whom is 28. Will he be the youngest man you've ever had sex with?

JASMINE: Oh, no.

40SOMETHING: I mean since you've been in your 40s and 50s.

JASMINE: Yes. I know what you're talking about!

4050METHING: Stupid me!

JASMINE: I've only been single for a short time. I was married for a very long time.

40SOMETHING: That's what I mean. You haven't had a lot of time to get around. You've had sex with a 28-year-old since you turned 50?

JASMINE: In the last four years, since my separation? Yes.

"Am I a slut?" asked Lexi McCain (who's friends with 40Something star Rita Daniels, so that should tell you something). "Well, I fuck at least six times a week, I swing. Now that I've fucked on camera, I'm a porn star, too. One time I had sex in the external glass elevator of the Sears Tower in Chicago with a guy I just met in a bar. He fucked me from behind all the way to the top, and I blew him all the way down."

"I like bad boys and confident men who are not afraid to approach me," Lexi said. "A little dangerous, mysterious. Men who ooze confidence. Add a big, wide smile and I'm wet!" Lexi is a big pro football fan and a professional divemaster. She says she isn't into any fetishes but did tell us, "I had a sexual fantasy that recently came true: spontaneous and incredibly hot sex with someone I met while traveling on business. When we got off the plane, he introduced himself and told me how attractive I was. We met for cocktails, and we were halfway through our drinks when he revealed that he was a U.S. Air Marshal. After 10 minutes, I practically dragged him to the hotel room. I did ask him to put his holster on the bed in plain sight, and that was some of the best sex I ever had."

Lexi was born in Richmond, Virginia and lives in Florida. She has been fucking steadily since she turned 18 and turned it up a notch when she started swinging with Rita Daniels about a year ago. As for her experience at 40Something, Lexi said, "Rita was right. This guy had a great cock, and I loved sucking it. I wanted to keep blowing him, but the cameraman told us we had to start fucking." Lexi got over her disappointment the moment JMac slid his dick inside her pussy. "Hard and fast, and he lasted a long time," Lexi said. "He fucked my old pussy like nobody's business. Then he nutted on my face. Next time I talk to Rita, I'm going to thank her for this." Thank her for us, too, Lexi.

You might have noticed the way her name is spelled. "'Sin City Sindi," said Sindi Star, one of the sluttiest women we've ever met. "I was conceived while my mother was in Las Vegas. I was kinda born a very naughty girl." *Kinda?* Sindi looks like the girl who had a reputation in high school. "I did," she said. "I still do."

The naughty adventures of a 60something swinger! **By Georgette Parks**

i, all you horny guys and gals out there. Boy, time just seems to whiz by lately. I guess that's because I keep pretty busy! I hope you've all been having lots of sex and good times.

I love writing these articles and letting you know all about my sexual adventures and interests. I never have a problem finding things to write about. Maybe that's because I live a rather exciting and busy life. As my boyfriend says, our week consists of six Saturdays and a Sunday!

My biggest problem with these articles is coming up with pictures. We are always forgetting to take the camera with us so we'll be ready for that special shot. Plus, cameras are not allowed in any of the nudist clubs. On top of that, most people do not want their picture in an adult magazine because they're afraid somebody they know will see them. Maybe, but that's a million-to-one shot, don't you think? And if someone does agree to have their picture taken with me, they have to produce their driver's license and sign a release

form, which can kind of slow down the party. So that's why we usually only have me in the pic-

tures you see in these articles. This month's pictures are mostly of me in my slut wear, getting ready to go to the club for a night out. Living in a normal (meaning not clothingoptional) neighborhood prevents me from leaving the house in my slut

No, I didn't forget my panties. This is how I usually dress for a night out of fucking!

wear, so I have to wear some sort of coverup. One of these pictures was taken in the parking lot of the club. Another nude picture was taken at a friend's backyard in a nudist park.

Then some are of me going to a vanilla party.

"Guys go down on

wet, sweet pussy."

My boyfriend and I had a me and don't know when busy to stop. They love my month, going to several swing parties and

then even some vanilla parties. We had been invited to five different swing parties, one every week, but didn't make it to all of them. Other things always seemed to get in the way, like family and friends who aren't swingers.

What we do like about the parties

we've been going to is that each one has different people who we've never met. Most of these people are from out of state and are visiting friends in the area. Then there are the regulars who we know from previous parties and the nudist clubs. It's always much more interesting when new people are at a party. There's something very exciting and arousing about fucking someone new, and that's always a way of making new friends. I think we met more new people than ever at the two parties we went to this month. That makes for a really good time! One party was an hour from home, so we made plans to stay with one of the couples so we didn't have to drive home late at night. That was a good plan since the party lasted a lot longer than usual. Did I have a good time sucking and fucking? I think so!

When I started swinging some 10

years ago, the parties started later, like at nine or 10 p.m., and lasted until the wee hours of the morning. Then, at four or five a.m., you'd stop for breakfast on the way home. Now the parties start at eight p.m. and are normally over by midnight or one o'clock. Does that say something about our ages? We all joke about the change. I will say, the sex is as good or better than it was 10 years ago. And people don't wait forever to go to the bedrooms. We used to talk for two hours before having sex. Now, in a half hour or less, the bedrooms start filling up. Everyone fucks at least two or three times with different partners. Some even go more than that. To be

honest, I'm usually done after two times. Don't forget, though, that my sex sessions usually last at least 45 minutes apiece. Guys go down on my pussy and don't know when to stop. They love my wet, sweet pussy, or so they say. I do know some people who think it's their duty to try to have sex with as many people as possible. Is it quality sex? Probably not.

We actually went to the nightclub several weeks ago. That doesn't seem to happen very often, probably because we have other commitments. Our calendar stays pretty full. I love to dance and have a good time. So when we do go to the club, I really let loose. My guy says he loves watching

me in action, flirting with the other guys and getting really sexy on the dance floor. A lot of couples go to the nightclub so they can hook up with another couple to fuck later on. A good place for that to happen is in the conversation pool or the hot tub. We normally don't go looking for another couple, only because we already go to so many parties and have a couple over to the house occasionally. We decided to make the most of one weekend and actually stayed at the condo we own and had our own private party. It was really special, like being on vacation.

Don't forget, we live in an area that has at least four popular nudist clubs. Each one has a nightclub and at least one pool and a hot tub. On specific nights, you can go to any of the clubs for a nominal fee of about \$20 a couple. Single guys really pay the price, though. I think they pay at least \$50 to get in. Usually on Thursday, Friday and Saturday, the nightclub has a DJ. Once in a while, there will be a live band. However, the bands usually play on weekends in the afternoon at the pool. The pools are usually packed on weekends. The only problem is, the pools used to be nude. Now, for some reason, we are seeing more women wearing bottoms. I think the clubs have decided to try to get more people to come by being clothing optional.

Next, I'd like to recognize a gentle-

A lot of times people might not think I'm wearing something sexy, but they don't know what I'm wearing underneath. Now you do!

This is one of my favorite pieces of slut wear. Naturally, sexy shoes are always part of my outfit. Next, I'm heading out for an exciting night of sucking and fucking!

man from Pennsylvania who sent me a very nice email. His name is J.R., and he wrote, "Recently, I had the good fortune of seeing you in the September 2010 edition of 40Something. I was immediately struck by your sexuality. You seem like someone who obtains great joy from life. I admire that as much as I admire your beautiful body."

J.R., thank you for your lovely compliments. You also wrote that you are interested in becoming involved in swinging. That is very difficult if you are a single man unless you advertise on a swingers website. There are always men looking for a single male to have sex with their wives. Also, single females are always looking. Of course, if you are married or have a girlfriend, she'd better be ready for this kind of commitment and want to be a swinger as well or it will never work. You can find many swinger

sites online. Swinger Lifestyle and SLS are two sites. There are also the swinger clubs like Trapeze in Fort Lauderdale. Again, check online. There is usually at least one swingers club in most large cities. The cost to join or get in is always more for a single than for a couple. If you join a swingers website, you will be amazed by how many people in your area are involved. But I do not belong to such a club.

As for a swingers vacation, there are swingers cruises. I have not been on one, but just look them up on the Internet. I know many people who love the cruises and always have a great time. Everything you want, you will find on the Internet. I have only been on vacation to Hedo II in Iamaica and know about Desire in Mexico, but I have not been there. I am told you need to go when they have special swingers vacation weeks. Again, look them up on the Internet. The same thing is true about nudist clubs. A group called AANR (American Association for Nude Recreation) can be found online and lists all the nudist clubs that they are affiliated with. Again, I'm sure you can become a member online or look up nudist clubs by state. I know of one in Pennsylvania.

Next, a note to a guy in Toronto who wrote, "I have ruined many an issue spurting hot cum all over your pictures, especially the ones where you're sticking your amazing ass out to the camera. My friend Gary and I are both bisexual, and we often fantasize about tag-teaming a gorgeous older woman like yourself. The last woman we had together was in her mid-50s, and she didn't mind one bit that we called her Ms. Parks throughout the nasty sex session. Thank you, Ms. Parks, for posing and fucking for our viewing pleasure! You are truly spectacular! How would you like to take on a couple of really kinky, younger bi-guys?"

A.F., I thank you for your compliments, and you never know when we might meet. Keep on fantasizing!

I've really babbled on this time. I guess I need to call it a day. Keep on smiling, and live life to the fullest. Love as much and as often as you can and have lots of great sex. Don't forget to check out 40SomethingMag .com and 60PlusMILFs .com. There are lots of great ladies to see, including me! Enjoy!-Love, Georgette

"Now I'll try just about anything." In these photos, this once-divorced, now-remarried mother of four, does something she might not have considered even 10 years ago: have sex with a guy who's 31 years younger than her. Yeah, that's right. Lydia is 51. Ivan, the guy who's about to fill her with his cock, is only 20. "I have children who are older than him!"

"My children know where I am and that I'm shooting, but that's all they know," Lydia said. That don't know, for example, that Lydia is sucking cock and getting fucked in her pussy and ass on camera? "No, and they probably don't want to know," she said. "But my husband definitely wants to know. We're swingers. We've been doing it for about nine years. My children were all grown up and out of the house, so we decided to liven up our lives a little bit. He got on the Internet and found us a couple of swingers websites, and it all just kind of blossomed from there. But neither of us ever thought that it would get to what I'm doing here."

Jasmine Fields Interview

40SOMETHING: How young?

JASMINE: Twenty-five. But now that I think about it, there was a 22-year-old who I'd forgotten about.

40SOMETHING: How'd that happen? I mean the 22-year-old.

JASMINE: That was sort of a brief encounter. I met him out at a club. That was one of those situations where I woke up the next day and thought, "Wow, what was I thinking?" It wasn't all that good. It was okay. I guess it was fun to say I had a 22-year-old, at my age especially. It was a confidence booster.

4050METHING: Why wasn't he good? Did he cum too fast?

JASMINE: Yeah. Maybe he'd had too much to drink.

4050METHING: He didn't eat your pussy, did he?

JASMINE: [Sighs] No. That guy did not, which is always a mistake. Men, always eat a woman's pussy, and make sure you at least act like you're enjoying it. But you know what's funny? I don't really remember too much about it, just that he was 22 and didn't eat my pussy. **40SOMETHING:** You know why you don't remember it, Jasmine? Because you've had sex with so many guys over the past four years.

JASMINE: [Laughs] I had to make up for lost time! I was married for a long time. **40SOMETHING:** And you were faithful the whole time?

JASMINE: I was married for 18 years. I was monogamous for 15.

4050METHING: I hope it was the last three that you weren't, not the middle three. JASMINE: [Laughs] I'll let you figure that

out for yourself. I won't elaborate on that. The bottom line is that he and I knew we were getting a divorce and continued to live together as roommates for three years, so there you go. It was the last three years.

4050METHING: So the 22-year-old wasn't good. The 25-year-old...

JASMINE: Oh, two Italian boys. I'll never forget them. They were very good.

40SOMETHING: Two boys?

JASMINE: Yes. I had a three-way!

40SOMETHING: How did this come about? JASMINE: I was staying in a hotel in Beverly Hills, and I was doing some oncamera interviews for a website, and I invited them to an event that evening

"I love to be watched," Barbie Lynn said. "That's why I decided to model for 40Something. What could be hotter than being watched by thousands of men at the same time, and they all have their cocks in their hands!" You've got that right, Barbie. And in about a second, many of those guys are going to turn the page and squirt all over your pussy. "Yummy! I just wish I could watch."

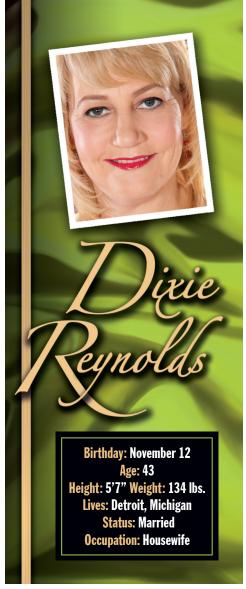

Barbie once tried pussy because she thought it might be fun then decided cock was the only item on her menu. "My fantasy is to have a stranger approach me in a bar and take me from behind," she said. "I don't wear panties when I wear a dress, so all he'd have to do is lift my dress a little and slide right in. Don't worry about lube. My pussy is always wet." And after you shoot your load, don't leave. With Barbie, the night's just getting started. "We'll go back to my place so you can explore every inch of my body. But it's not all about me. I know how to please my partner and make sure we're both satisfied." We never had any doubts.

whole story about Dixie Reynolds. "Horny housewife" is what she wrote on her Model Info Sheet. "Me and my husband once had sex on the back of a police car," she said in her sexy Southern accent. "Not in the car but on top of it when there were no cops around. It was parked there and we were horny, so we just decided to fuck right on top of it!"

Dixie likes bikers and is a biker. "I have a Harley. Lots of times you'll see me riding around in my jeans, leather jacket and biker boots." She's a wild rider. "I once was at a hotel party with five couples, and more people kept coming in. The only thing anyone was wearing was condoms. I don't know how many guys fucked me that night, but who's counting?" Not this horny housewife.

and asked them if they wanted to be interviewed about sex. At the time, I was working on a television pilot as a host for a sex show. They couldn't come to the interview, so they kept texting me that they couldn't come to the event, and they were so sorry, and they invited me to join them at the hot tub. So I decided to join them.

4050METHING: Was this an outdoor hot tub or an indoor hot tub?

JASMINE: An outdoor hot tub. I joined them in the hot tub.

40SOMETHING: And what were you wearing?

JASMINE: Just a bikini bottom. No top.

4050METHING: No top? What kind of place was this?

JASMINE: It was late at night, and it was sort of off-season. I think it was Memorial Day Weekend in Beverly Hills. And we sat in the hot tub for a while, and I could see they were checking me out, and I have to admit, even though the water was very warm, my nipples were

getting very hard. So they made some drinks and cocktails and invited me back to their room, and it was wonderful. And it was then that I decided that all women need to experience a threesome with two men.

4050METHING: Why did you like it so much? Was it their age?

JASMINE: Not just that, although that was definitely part of it. I just think that if you're with the right men, it's just really a wonderful thing because you feel real-

"I think it's important to **feel sexy** from the **bottom up**, whether anybody knows what's **underneath**

> ly cared for and taken care of and all your needs are met at the same time, so it's very, very exciting.

> 4050METHING: So this was just a onenight stand?

JASMINE: It was, although we stayed in

touch for quite some time. They called me their "queen." It was adorable.

40SOMETHING: Why their queen?

JASMINE: Because they had a fantasy about doing an older woman together in America. They were from Rome. And I had a fantasy about doing two young men, so after we were done, I said to them, "You know, I have a confession to make. You just fulfilled a fantasy for me." And they said, "Well, we have a confession to make, too. This was our fantasy." It was one of those perfect things. The funny thing was, I was

> with a friend and he said, "Go! Have fun!" And all of this helped me. I needed to make up for lost time. I needed to open myself up sexually and discover who I am and be comfortable with who I was as a single

woman. I don't think I could have come here if I hadn't done some of the other things first.

4050METHING: If you don't mind, let's hit some other topics. Are you into sports. JASMINE: Very much so. I used to play volleyball. I've been snowboarding for about 20 years now. I've also done a lot

of cycling. As a kid, I played baseball, basketball and tennis, and living in Colorado, I love hockey. My favorite team is the Avalanche.

40SOMETHING: When you just need to unwind, what do you like to do?

JASMINE: Hang out with friends. Have a cocktail. Good conversation. I'm also a big entertainer, so I'll have people over to my place. But I like to be by myself sometimes. I read. Curl up and watch a movie by myself. I love going for long walks. And I'll even take a solo road trip every now and then.

4050METHING: We've kind of touched on this before, but what kind of guys do you normally prefer?

Jasmine: I tend to go for younger guys. I'm usually attracted to men who are 10 or 20 years younger than me, but they need to be very experienced and mature. I like a man who has a sense of humor and a strong sense of self-esteem. A lot of energy. Strong intellect. Lots of personality. I've dated a lot of black men and Europeans, too. I like men who say what they mean and mean what they say. Men who know how to pamper me and spoil me without trying to control or change me. And, most importantly, someone who knows how to communicate honestly.

4050METHING: Let's say we saw you out in public. How would you be dressed? **JASMINE:** Tastefully seductive with class. Tailored or fitted clothes with a little cleavage. I dress for the occasion but believe it's better to be overdressed than underdressed. I prefer skirts or dresses to jeans and heels or boots to flats or tennis shoes. I think it's important to feel sexy from the bottom up, whether anyone knows what's underneath or not.

40SOMETHING: Panties?

JASMINE: I knew you were going to ask that question! Normally, yes, but not always. It depends on what I'm wearing and what kind of mood I'm in, but it's always something sexy, whether it's a thong, bikini or boy shorts. But when I'm going out with someone, I skip the panties. Men are always shocked when we get to the bedroom and they see I'm not wearing panties. I think it makes them feel good, like I was planning on having sex with them all along. And maybe I was!

4050METHING: Let's talk about how you ended up here. Did our recruiter call you or email you?

JASMINE: She emailed me.

4050METHING: And she said to you,

"Would you be interested in modeling for an adult magazine?"

JASMINE: Yes.

4050METHING: And you understood what that meant?

JASMINE: Yes. She sent me a link to your websites. I checked them out, and I thought about it. And I checked you guys out. I did some research. I have a dear friend who has been in porn for many years, so I talked to him about you guys.

4050METHING: And that dear friend is? **JASMINE:** Dave Cummins.

4050METHING: Who has been in our magazines and on our websites. He's a legendary porn stud, partly because he's probably the oldest porn stud ever.

JASMINE: Dave's just a great guy, and I asked him about you, and he said, "Yes, it's a good company. They're on the up and up. They're very professional. If you're going to do this, they'd be good. But be cautious."

40SOMETHING: Cautious?

JASMINE: About everybody else because I was getting inundated with emails and phone calls. But you guys checked out the best, so here I am!

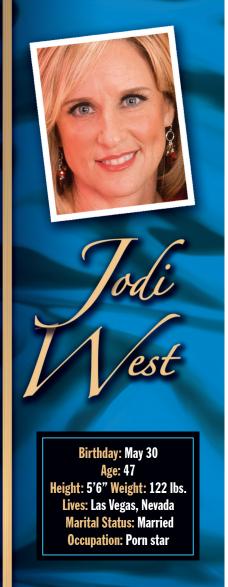

40SOMETHING: Now, you're about to have sex on camera for the first time. What's going through your mind?

JASMINE: Well, it's like I told Dave, there's a part of me that's always been an exhibitionist. My ex-husband used to say that about me because we never had window coverings. We never had people around who could see into our house because of where we lived, and I loved to walk around the house naked. And he'd say, "You're an exhibitionist," and I'd say, "No, I am not!" [Laughs] Of course, after I left him, I realized I was to some degree and did burlesque. So, for me, it's a little bit of an exhibition thing. It's exciting. It's titillating. It's something I've fantasized about. It's exciting. 4050METHING: You like sitting there naked, don't you?

JASMINE: I think I do. I'm quite comfortable! There's something very freeing about it. It's very empowering to be comfortable in your own skin. To know who you are and be comfortable with that and not be ashamed of it or hide from it. And that's what I try to do with things that I write about and talk about. 40SOMETHING: Well, Jasmine, you have nothing to hide. We're glad you chose us for your first time.

JASMINE: Thank you! This is an experience I'm glad I'm having.

It may be "Bring Your Employee Home For Dinner" night at the West household, but Jodi hasn't prepared anything to eat. What she has done is pour her tight, sexy body into a short, revealing red dress (paired with matching fuck-me pumps), because although she isn't

much of a cook, she's a helluva fuck. and she's horny, too. "Hi, honey, we're home," says Mr. West, Jodi's real-life husband. "I brought our newest sales associate Juan with me. Juan has been tearing everything up at work." And now he's going to tear up Jodi's pussy!

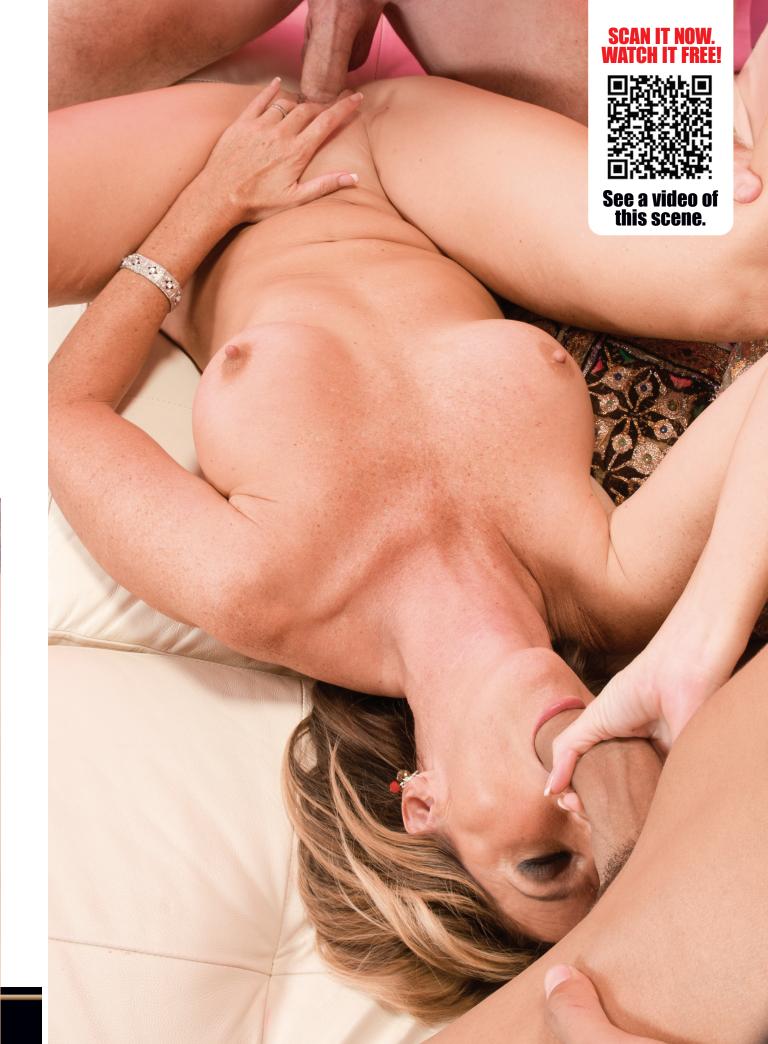

Seeing his wife, and knowing from experience that there's nothing on the stove or in the oven, Mr. West decides they oughta eat in tonight. Well, Juan knows exactly what he wants to eat. He can't believe his good fortune. He can't believe he has such a great boss who offers his wife's mouth and pussy as part of the bonus plan. Of course, like most bosses, Mr. West doesn't give without making sure he's getting something in return, so before long, Mr. West is eating his wife's pussy while she sucks Juan's cock. Is this his idea of working overtime?

Juan cums on Jodi's face and Mr. West cums in his wife's pussy because being the husband definitely has its privileges. And, besides, he is the boss, you know. As for us, we get to see Jodi's cum-covered face and the spunk that's dripping out of her well-fucked cunt. Now, what's for dinner? How about seconds for everyone! Amazing since Jodi once said, "I didn't even have sex until prom night of my senior year in high school. But I'm making up for lost time." This might not happen if your boss invites you home for dinner. But it could.
